

Smokey's SAFE House Evaluation Form

Learning can be a fun activity, and we hope you and the children enjoyed playing Smokey's SAFE House. Many fire and burn injuries are preventable, and we hope this interactive game teaches children how to stay and be safe in serious situations. Please take a few moments from your busy day to complete this brief evaluation. Add as many thoughts or comments as needed. Thank you in advance for your time and effort.

Send complete evaluations to:

Mary Mondozzi, MSN
